

Sample Procedures for
Standing Up County Assembly

Securing Assembly Members

Problem

How can an Assembly begin finding Members?

What should the admission requirements be?

Facts & Assumptions:

- A) No one knows which group will take us back to the Republic and away from the Corporation government.
- B) Some of those competing groups require paperwork rejecting the Corporate government. We do not know if that will still be required by them after the Announcement that we are back to a Republic.

Therefore, it may be hard to require paperwork for Assembly members until the Announcement is made.

- C) There are many groups in a county that are Patriotic and wish to become involved in a new Assembly. We just have to reach out to them and invite them to join in the only Assembly to be up in each County.

The last thing a county needs is chaos over several competing Assemblys all with the same goal.

- D) Run Ads in local publications advertising your website to collect members.

Your Plan Here

- 1) List and canvas all organizations in your county, including Political, religious, trades, and social organizations.
- 2) Allow them to enter with proof of ???
- 3) Alert them that paperwork may be required after the Announcement.
- 4) ?
