

Sample Procedures for  
Standing Up County Assembly

**Securing Assembly Funding**

**Problem**

Can we afford to wait until we get Government Funding before building our Assembly?

Can we find Bridge funding in the interim?

**Facts & Assumptions:**

A) Ultimately we will have **unlimited Government funding**, we just don't know when.

B) The project is too important to rely on **donations** as they cannot be counted on.

C) **Deep Pocket Bridge Loans** is best for the interim.

It allows immediate start-up and training and alleviates cash-flow worries.

D) **Bridge Loan Terms** might be a 2 to 1 or 3 to 1 repayment rate. This can be negotiated.

This might be necessary to entice the lender in. There is always the possibility the Government might not recognize your Assembly and not fund you.
